

### Ashdon Staff First Aid Training Day

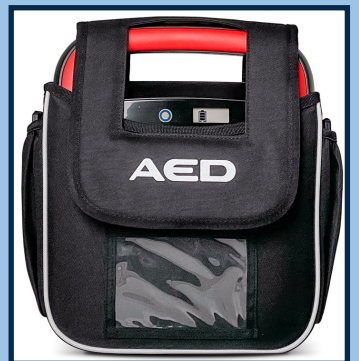

Wow! Staff really enjoyed their First Aid Training on Monday. We relearned loads about CPR, using our defibrillator, burns, choking, shock, anaphylaxis and much, much more!

### Defibrillator!!

Our school now owns a defibrillator and we would like parents to spread the news that ours will be available for anyone in the village and beyond that might need it. It will be available from 08:00-17:30, Monday - Fridays, term time only. We will look into getting a box to fit it outside of the school, but need to first raise funds to purchase this.

### The best of luck with the new Baby!

We are sad to see Mrs. Johnson go today, as we will all miss her terribly. We are, though, very happy for her and her family as they soon will have a brand new bundle of joy added to the Johnson family. The best of luck with the new baby and we look forward to her returning next year.

## Important Dates & Notices:
